

Model City

Model City is a sound based art experience that will take place from **14 – 23 February 2020** on **King Edward Street, Hull City Centre.**

It will bring to life children from Hull's hopes and dreams for their city.

There will also be a space at **23 King Edward Street** where you can learn more about the creation of the piece, take part in free family activities and have your say on what would make your perfect model city.

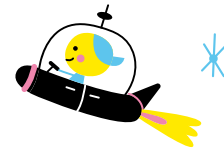

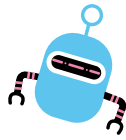

We would like you to **WRITE** a letter or **DRAW** a picture for children living in Hull 50 years in the future. These will be displayed in the city centre.

- *What do you want to tell someone in the future about Hull in 2020?*
- *What are the most fun things about your city?*
- *What about your city makes you happy?*
- *What would you like to change about your city?*
- *What do you hope Hull is like in 50 years?*

A large, empty rectangular area with a pink border, intended for children to write a letter or draw a picture.
